The following instructions will show you how to put the t-shirt pillowcase together and how to create a broadcloth t-shirt pillow to fit inside the t-shirt pillowcase.

Step 1:
Embroider the Pillow Kid design on
the t-shirt as shown in the picture
on the right.

Step 2:
Pin and sew both sleeves and
collar shut with a 1/4" seam.

Step 3:

In this step you will add Velcro to the bottom hem of the t-shirt. That way you can easily add and remove the pillow. The Velcro has 2 sides; a hook side that hooks into the ruff side of the Velcro.

- Turn the t-shirt inside out.
- Pin the hook side of the Velcro (face up) to bottom hem on one side of the shirt.
- Pin the ruff side (face up) of the Velcro to the bottom hem of the other side of the t-shirt.
- Then sew each side of the Velcro onto the shirt separately by sewing along all edges of Velcro as close to the edge as possible.

Step 4:

Steps 4 through 9 will show you how to put the broadcloth pillow together.

Lay both pieces of the broadcloth, on your work table, right sides together.

Place t-shirt on top of the broadcloth pieces.

Step 5:

Trace along the outside of the t-shirt with a fabric marker.

Step 6:

Remove t-shirt and cut along the marked lines.

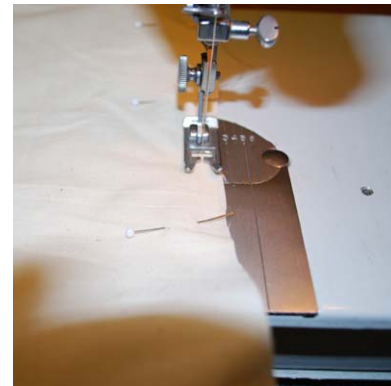

Step 7:

Pin both pieces of fabric together and make sure to keep right sides of fabric together.

Step 8:

Sew a ¼” seam around fabric.
Leaving a 4” opening at the bottom
of your t-shirt pillow case.

Step 9:

Turn the pillow case right side out.
Stuff with fiber filling.
Then hand stitch the opening closed.

Step 10:

Place pillow inside of t-shirt.
Close the Velcro at
the bottom of the shirt.

Now you’re Pillow Buddy is ready
for your little one to nap on.
